Newsletter for the Pied Budgerigar Society of New Zealand

October 2004

A Brief Newsletter

Hello everyone.

This is a very short newsletter due to the happenings of recent months.

AGM. Please be advised that the AGM will take place at 10 am on Saturday 13 November 2004 at Jim Ziarno's house.

18 Stanley Rd
Glenfield
Auckland
Ph. 09 444 3024.

The certificates/prizes etc from the show are being sent out shortly, you may receive them before you get this newsletter.

Included with the prizes etc is a letter from the previous secretary Rick Staal explaining recent events including the status of the secretary's position (Dave Burn until the AGM) and the fact that Rick no longer has birds but will return to the fancy in the future.

Also of note is the regretful passing of Shirley O'Halloran some time ago.

Shirley was a driving force in the bird world and will be sorely missed.
